

HVIS 2005

will be the ninth symposium in the series and will be held at the Resort at Squaw Creek. The Technical Sessions will be held at the Resort at Squaw Creek.

The Resort at Squaw Creek is a unique conference center located in the Sierra Nevada Mountains of California. It is just minutes away from scenic Lake Tahoe. Plan now to come spend the week relaxing at the beautiful mountain retreat while joining your colleagues in discussing the advances in understanding hypervelocity impacts.
